Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant and Examiner discussed at length 10/520054, 10/021238, and 10/250955 including the requirements to file terminal disclaimers and the impact of pending continuation of case 10/250955 on the other two copending applications. Examiner and Applicant agreed terminal disclaimers are required for 10/520054 and 10/021238 and once the continuation of the abandoned 10/250955 is assigned to Examiner, similar terminal disclaimers will be filed to avoid any double patenting issues.
